

Greely High School
 Annual Student Art Exhibit 2010-2011
 featuring support from
 Foundation 51

The Visual Arts Department would like to extend a sincere and very grateful thank you to the Foundation 51 parent organization for their support and recognition of the visual arts at Greely High School.

With one of their two generous grants they have provided Greely High School, we now have 20 new display boards that are currently being used for our annual student art exhibit. The boards have replaced some of the old aging white boards and are seen throughout the library this week.

Additionally, Foundation 51's second grant has provided for the professional framing of student artwork that will be permanently displayed around Greely High School for years to come! Casco Bay Frames of Portland, Maine completed the framing for the paintings.

Currently, five works are framed and exhibited on the display boards. These artworks were completed and donated by graduates of Greely High School including Jamie Moody, Claire Sawyer, Jessa Steinman, Eliza Williams, Allison Hall and Bethany Powers. Two other paintings are in the process of completion by Brandon Pinette and Marina Silverman; Class of 2011. These will be framed and presented to Greely High School during class day activities this year.

The Mission of Foundation 51 is to promote educational excellence in MSAD 51 by funding initiatives that improve teaching and learning and by inspiring community involvement for the benefit of our schools. Through the hard work and tireless efforts of many volunteers, Foundation 51 has earned broad support from the MSAD 51 communities, as well as the district's administration, faculty, and students. The Foundation operates entirely independent of the schools, but strongly supports the school district's mission, objectives, benchmarks, and learning results focus.

**Greely High School
Annual Student Art Exhibit
2010-2011**

Claire Andersen, Acrylic Painting

Please join us for an Informal Opening
Wednesday Evening May 25th 5:00 p.m. - 8:30 p.m.
Exhibit available for the general public Thursday, May 26th and
Friday May 27th from 8:00 a.m.-2:00 p.m.

Marina and Brandon presenting the frames work to Greely High School.

Class Day Presentation by Jennifer Doane 2011-

“Along with our appreciation for Brandon and Marina, Wes and I would like to thank Foundation 51 for their generous support of the arts this year. This year we received two grants: one to create new art display boards and the other to frame artwork that will become a part of Greely's new permanent student art collection.

In the last several years, senior AP students have created paintings as a gift to Greely High School. You may have seen these works on display during the art exhibit this May.

We'd like to take this opportunity for Marina and Brandon to share their paintings with us.

Their paintings are among the first group to become a part of the new permanent student art collection. Thank you Brandon and Marina and Congratulations!!”
